

For Immediate Release  
January 25, 2007

## **PC Synergy Becomes UPS Ready®**

*As a licensed UPS Ready®*

*Provider, PC Synergy delivers tools that make shipping easier for a growing industry.*

**San Marcos, CA — January 25, 2007** — PC Synergy has recently earned the certification of “UPS Ready®” from United Parcel Service®. The UPS Ready® program certifies technology suppliers who have the ability to provide shipping solutions for unique niches in the shipping business. As leading supplier to the independent mail and parcel center industry, PC Synergy’s PostalMate product is now certified for UPS OnLine Tools® Tracking and Time in Transit to be performed directly from the shipping system.

PC Synergy looks forward to releasing this technology to its 3000 customer user base in spring of 2007.

To learn more about the UPS Ready® program you may visit the Business Solutions section of [www.ups.com](http://www.ups.com).

PC Synergy is a privately held company located in San Marcos, California. Founded by Rick Crawford in 1988, PC Synergy has 3000 customers nationwide. The PostalMate software automates shipping and packing as well as integrates with CashMate+, a full featured Point-of-Sale, Accounts Receivable and Mailbox Management system. PostalMate provides carrier certified solutions for FedEx®, DHL® and UPS®. Visit [www.pcsynergy.com](http://www.pcsynergy.com) or call 800-485-6901.
